SUMMARY

On November 7, 2018, the Board of Recreation and Park Commissioners (Board) approved Report No. 18-228, which approved the reallocation and transfer of Quimby and Zone Change fees from completed various projects to the Quimby and Zone Change Accounts. This was done in an effort to allow staff to efficiently identify Quimby and Zone Change funds for upcoming projects.

RAP's staff has determined that it is necessary to correct the reallocation and transfer amounts that were attached as Attachment 1, Attachment 2, Attachment 3 and Attachment 4 of that previous Report No. 18-228. The correct reallocation and transfer amounts are set forth in Attachment 1, Attachment 2, Attachment 3 and Attachment 4 of this Report.

Quimby and Zone Change fees are not being reallocated to any other projects as a part of this Report. No new projects are being approved as a part of this Report.

Upon approval of this Report, the recommendations from Report No. 18-228 can be rescinded and new recommendations will be adopted which reflect the corrected reallocation and transfer amounts.
