

INFORMATIONAL BOARD REPORT

CITY OF LOS ANGELES  
DEPARTMENT OF RECREATION AND PARKS

TO: BOARD OF RECREATION AND PARK COMMISSIONERS

FROM: MICHAEL A. SHULL   
General Manager

SUBJECT: OVERVIEW OF THE LOS ANGELES COUNTY PROPOSITION A-SAFE NEIGHBORHOOD PARKS, GANG PREVENTION, TREE PLANTING, SENIOR AND YOUTH RECREATION, BEACHES AND WILDLIFE PROTECTION ACTS OF 1992 AND 1996 – GRANT PROGRAM FUNDING FOR DEPARTMENT OF RECREATION AND PARKS

**SUMMARY**

Approved by the Los Angeles County (County) voters, the Safe Neighborhood Parks, Gang Prevention, Tree Planting, Senior and Youth Recreation, Beaches and Wildlife Protection Acts of 1992 and of 1996 (established as Propositions A-I and A-II, respectively, by City of Los Angeles (City) Ordinance No. 174870) were established to improve the quality of life for citizens throughout the County. Toward that end, the Proposition A grant program has provided funding for development and acquisition projects, youth employment, and facility maintenance that have: 1) improved the safety for children, youth, adults, and senior citizens at recreation and park facilities, 2) encouraged tree planting; 3) increased park land, and 4) restored and preserved beach, park, wildlife, and open space areas.

Since their passage, the 1992 and 1996 Propositions A-I and A-II have generated in excess of \$725 million for capital improvement projects, including acquisition, development, improvement, restoration and maintenance, to address the park, recreation, beach and open space needs throughout the County. The County apportioned the funds into the following three funding categories: Specified, Per Parcel Discretionary (PPD), and Excess (Specified, Cities and County, and Competitive). A total of \$615.25 million in Specified Funds and a total of \$110 million in PPD were allocated to various cities and non-profit agencies throughout the County. In particular, City of Los Angeles Departments, including the Department of Recreation and Parks (RAP), the Los Angeles Zoo, and the Department of Public Works were allocated approximately \$135 million in Specified Funds and approximately \$43 million in PPD, Competitive and Excess Funds.

**RAP CAPITAL PROJECT FUNDING**

Proposition A funding for RAP has included Specified, PPD, and Excess Funds (Specified, Cities and Competitive) in excess of \$131 million for various capital improvement projects. As of October 1, 2019, RAP Proposition A grant funds represent 161 capital project grants involving beach and nature facilities, parks and recreation facilities (including Housing Authority and urban impact parks), swim and lake facilities, and park land acquisitions throughout the City, as shown in the tables below and detailed herein as Attachment No. 1.

<b>Specified Awards</b>				
<b>Facilities</b>	<b>No. of Projects</b>	<b>Total Grant Award Amounts</b>	<b>Total Grant Receipts</b>	<b>Remaining Grant Balances</b>
Acquisition of Park Land	7	\$5,809,873.50	\$5,809,873.50	\$0
Beach and Nature Related	4	\$12,550,000.00	\$12,550,000.00	\$0
Elysian Park Master Plan	6	\$2,197,726.99	\$2,197,726.99	\$0
Griffith Observatory/Park	2	\$20,361,089.47	\$20,361,089.47	\$0
Housing Authority	5	\$5,201,218.82	\$5,201,218.82	\$0
Sepulveda Basin	7	\$7,497,499.00	\$7,165,454.00	\$332,045
Swim and Related	5	\$18,800,000.00	\$18,800,000.00	\$0
Urban Impact Park	20	\$11,936,592.88	\$11,936,592.88	\$0
Various Recreational	16	\$9,887,141.74	\$9,711,924.34	\$175,217.40
<b>TOTAL Specified</b>	<b>72</b>	<b>\$94,241,142.40</b>	<b>\$93,733,880.00</b>	<b>\$507,262.40</b>

<b>PPD, Competitive, and Excess Fund Awards</b>				
<b>Facilities</b>	<b>No. of Projects</b>	<b>Total Grant Award Amounts</b>	<b>Total Grant Receipts</b>	<b>Remaining Grant Balances</b>
Acquisition of Park Land	8	\$3,640,324.00	\$3,460,324.00	\$0
Beach and Nature Related	6	\$1,082,334.93	\$1,082,334.93	\$0
Griffith Park	5	\$1,548,111.67	\$1,548,111.67	\$0
Pool	6	\$8,400,000.00	\$7,800,000.00	\$600,000
Urban Impact Park	5	\$1,013,000.00	\$1,013,000.00	\$0
Various Recreational	60	\$21,855,455.45	\$20,554,264.36	\$1,301,191.09
<b>Total Grant Funding</b>	<b>90</b>	<b>\$37,539,226.05</b>	<b>\$35,638,034.96</b>	<b>\$1,901,191.09</b>

<b>Funding Type</b>	<b>No. of Projects</b>	<b>Total Grant Award Amounts</b>	<b>Total Grant Receipts</b>	<b>Remaining Grant Balances</b>
Specified Awards	72	\$94,241,142.40	\$93,733,880.00	\$507,262.40
PPD/Competitive/Excess Fund Awards	90	\$37,539,226.05	\$35,638,034.96	\$1,901,191.09
<b>Total Grant Funding</b>	<b>162</b>	<b>\$131,780,368.45</b>	<b>\$129,371,914.96</b>	<b>\$2,408,453.49</b>

NOTE: Of the 162 capital project grants, 157 are closed, 2 are pending closure, 2 are active and 1 is withdrawn. The remaining 2 grants pending closure, 2 active grants, 1 withdrawn, and 7 closed grants with residuals make up the \$2,408,453.49 remaining grant balance (Attachment No. 1). All

Proposition A-I projects are complete. Although Proposition A-II projects needed to be completed and closed by June 30, 2019, the Los Angeles County Regional Park and Open Space District (County) has extended the deadline to December 31, 2020 for RAP to exhaust the remaining grant balance of \$2,408,453.49. This will allow RAP to reallocate remaining Proposition A-II (residual balance) of \$552,049.01 to four new projects and one existing project (Attachment No. 2). This will bring the project total count to 166.

### **MAINTENANCE FUNDING**

Propositions A-I and A-II also provided funding for maintenance and recreation activities for sites that had received capital funding. RAP has received approximately \$28.6 million in facility maintenance funding (approximately \$2 million annually). These funds have generally been equally divided to support activities at the Hansen Dam Recreation Aquatics Center and the EXPO Center. Proposition A-I maintenance payments are no longer being received, as these funds expired on June 30, 2015. All Proposition A-I maintenance funds have been claimed by RAP.

In addition, due to an increase in property values (maintenance funding comes from a parcel assessment), there is \$6,590,124.63 of maintenance funding under Proposition A-II. In Fiscal Year 2018-2019, RAP has claimed the Proposition A-II Maintenance Fund of \$6,590,124.63 to be used to support the EXPO and Hansen Dam maintenance needs or other facility where there is a critical need.

Proposition A-II officially closes on June 30, 2019. There will be no new property tax collected to fund Proposition A-II after June 30, 2019 for either capital improvement project or project maintenance.

### **YOUTH EMPLOYMENT POLICY**

To help prevent gang violence, the County established a Youth Employment Policy, which charged grant recipients with meeting a Youth Employment Goal (YEG) equal to ten percent (10%) of total development funding received or fifty percent (50%) of their maintenance funding received. Whenever possible, grant recipients were to hire at-risk youth residing within the community where the development project took place to perform project development and/or maintenance tasks that were appropriate for youth. Based on the estimated \$24,376,972 in Maintenance and Servicing Fund allocation, the City's YEG was set at \$12,188,486. To date, the City has met and exceeded its youth employment obligation by more than \$3,000,000 for a total amount of \$15,628,838 as of February 2012. A reported 8,387 youths were hired through this program for the period covering July 1, 1996 through January 31, 2012.

### **CONCLUSION**

Propositions A-I and A-II provided critical maintenance and capital funding to complete over 160 large and small capital projects in the City of Los Angeles thereby improving accessibility to open space, recreational facilities and other facilities for the enjoyment of the public. It further provided youth employment opportunities and funding used to maintain completed projects. These facilities have been used or visited by millions of Los Angeles County residents or visitors over the last twenty-five years further improving the economy and livability of the County and the City.

Propositions A-I and A-II played a significant role towards our Department's goals of providing a

clean, safe, well-programmed, equitable and sustainable park system, but there is much more work ahead to make Los Angeles Park Proud.

Since the last Proposition A Grant Program Information Report at the September 9, 2016, two new grant opportunities have been identified. The Measure A: Los Angeles County Parks and Open Space Parcel Tax (Measure A), was passed by the Los Angeles County voters on November 8, 2016 and Proposition 68: Parks, Environment, and Water Bond (Proposition 68), was passed by the California voters on June 5, 2018. These two new grants will provide the Department the opportunity to continue its mission, which is to provide the public a clean, safe, well-programmed, equitable and sustainable park system.

This report was prepared by Kai Wong, Senior Project Coordinator, Grants Administration, Finance Division, and reviewed by Bill Jones, Chief Management Analyst, Grants Administration, Finance Division.
