### RECOMMENDATIONS

1. Find, in accordance with Charter Section 1022, that the Department of Recreation and Parks (RAP) does not have available in its employ personnel with sufficient time or necessary expertise to undertake all of the park facilities' athletic surface inspection, testing, and related professional services projects in a timely manner, and it is more feasible, economical, and in RAP's best interest to secure these services by contract with a contractor to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive bidding process for each individual project to be performed;
2. Approve the award of a contract (Contract) in accordance with the details set forth in this Report and substantially in the form attached as Exhibit B of this Report, between RAP and DST, LLC dba DMA Sports Design Group, located at 5188 Andrew Jackson St. Oceanside, CA 92057, for as-needed athletic surface inspection, testing, and related professional services for a three-year period, in an amount not to exceed One Million Dollars (\$1,000,000.00) per year, subject to approval of the Mayor and the City Attorney as to form;
3. Direct the Board of Recreation and Park Commissioners' (Board) Secretary to transmit the proposed Contract to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series) and to the City Attorney for review and approval as to form;
4. Authorize RAP's General Manager or designee to make technical corrections as necessary to carry out the intent of this Report;
5. Authorize the Board President and Secretary to execute the Contract upon receipt of all necessary approvals.

### SUMMARY

RAP is in need of Athletic Surface Inspection, Testing, and Related Professional Services (Services). RAP has over one thousand sports surfaces throughout its park system; The Services will provide RAP with tools to help staff assess, inspect, and perform any related safety and/or performance testing and/or planning phase review that any of these athletic surfaces may require, both pre-installation and/or post installation, for maximum and safe usage. An athletic surface inspection, testing, and related professional services contract is critical to maintaining and securing our current park facility infrastructures.

On March 20, 2019, the Board approved the release for a Request for Bids (RFB) for Athletic Surface Inspection, Testing, And Related Professional Services (Report No. 19-054). The RFB was released on April 3, 2019. On April 23, 2019, a Mandatory Pre-Bid Conference was held; and on May 21, 2019, a Non-Mandatory Technical Review Conference was held. On June 25, 2019, on the deadline for submission of bids, RAP received one (1) bid in response to the RFB. The responder was DST, LLC dba DMA Sports Design Group.

The scope of the Services will include, but will not be limited to, the assessment and inspection of new and existing natural grass turf, all weather turf (synthetic), basketball courts (indoor/outdoor), volleyball courts (indoor/outdoor), racquetball courts (indoor/outdoor), tennis courts, running tracks, playground surfacing and golf greens.

The following list specifies some of the most common tests that may be required under the terms and conditions of the proposed Contract. Each of these tests are listed and defined in the Contract:

- GMAX (ASTM F1936 and F355A)
- Shock Absorption and Vertical Deformation
- Rotational Resistance (Traction)
- Vertical Ball Rebound
- Ball Roll
- Permeability of Synthetic Turf Sports Field Base Stone and Surface System (ASTM F2898)
- Compaction (ASTM D-1557 or D-698)
- Off Site Plant Material Inspections

Related Professional Services may include, but will not be limited to, review and approvals of submitted plans / schematics of athletic surface systems, sub-base and final athletic surface inspection and approvals in accordance to the City's scope of work for athletic surface systems and performance specifications, material inspection, approval and certification (on and off site), athletic surface installation inspection, certification, project design/engineering and certifies the athletic surface installation was performed in accordance with manufacturers specifications (etc.), and/or any other pre or post installation review as it relates to athletic surface installation.

## BOARD REPORT

PG. 3

NO. 19-184

The bidder underwent a three (3) level review. Level I review was conducted by RAP staff to determine whether the bidder submitted a completed bid package including all required compliance documents as stated in the RFB document. All required forms were reviewed for content and required signatures. The responder successfully passed Level I review before staff proceeded to Level II review. Level II review focused on the actual qualifications provided by the bidder on the required minimum work experiences, membership of professional organizations, and the presentation of the minimum projects performed as required in the qualification section. In Level II review, references were contacted and the bidder was highly recommended in performance on their respective submitted projects. The bidder had to pass both Level I and Level II review to proceed to Level III. In Level III review, RAP provided a weighted percentages bid sheet based on projected use of this contract for each line item, and asked the respondent to submit a bid price for each of the designated line items. These bid prices are provided on Exhibit "A" of this Report.

Only one bid was submitted in this bid process; therefore, RAP could not make a low bidder determination. RAP needed to perform a market research analysis to determine whether the bid submitted by DST, LLC dba DMA Sports Design Group met market pricing for the same services requested. Based on RAP's market research, the bid prices for line items 1-7 on Exhibit A were equal or below market pricing. Bid line items 8-16 on Exhibit A were more difficult to determine because the complexity of the bundled services requested (i.e. various inspections, tests, plans, specification review/approvals and attendance of five or more project meetings) complicated the market analysis. Most testing laboratories do not provide point of sale material inspection/testing, plans/specification and submittal reviews/approvals. RAP staff based the market research analysis for line items 8-16 on what the City has paid historically for similar services. Based on RAP's market research analysis, the bidder's prices for bid line items 1-16 are acceptable and in line with current market rates.

RAP is seeking authorization from the Board to approve the award of the Contract and for the Board President and Secretary to execute the Contract with DST, LLC dba DMA Sports Design Group, subject to City Attorney's and Mayor's approval. The selected pre-qualified contractor is recommended to the Board for a three-year (3) contract, in an amount not-to-exceed an annual expenditure of One Million Dollars (\$1,000,000.00) per year. The contract amount is an estimate and RAP does not guarantee that the contract maximum amount will be reached. The Services that RAP is requesting shall be on an as-needed basis. RAP, in entering into this Contract, guarantees no minimum amount of business or compensation. The Contract shall be subject to funding availability and early termination by RAP, as provided in the current Standard Provisions for City Contracts (Rev.10/17)[v.3]. Funding for projects awarded under the Contract will be provided from various funding sources.

### FISCAL IMPACT STATEMENT

Executing this as-needed Contract has no immediate impact to RAP's General Fund as funding will be identified on a per-project basis.

This Report was prepared by Cynthia Gonzalez, Management Assistant, reviewed by Robert Feld, Senior Management Analyst II, Finance Division, and Matthew Rudnick, Chief Management Analyst Finance Division.

measure of impact severity, based on published research describing the relationship between the magnitude and duration of impact accelerations and the risk of head trauma. Two test methods shall be used to determine the IAP of a playground surface or materials: critical fall height test, and installed surface performance test. - 16) This specification establishes minimum performance requirements for the impact attenuation performance (IAP) of playground surfacing (PS) materials and is specific to surfacing used with playground equipment, as described in Specifications F1148, F1487, F1918, F1951, and F2075. It also establishes an IAP criterion for PS materials; expressed as a Critical Fall Height (CFH) and the procedures for determining CFH of PS materials under laboratory conditions (LC). The laboratory test is mandatory for surfaces to conform to the requirements of this specification under dry surfacing materials. The CFH a PS material determined under LC does not account for factors that can influence actual performance of installed surfacing materials. Known factors that can affect surfacing material performance include but are not limited to aging, moisture, maintenance, exposure to temperature extremes, exposure to ultraviolet light, contamination with other materials, compaction, and loss of thickness, shrinkage and submersion in water.

Proposed Contract between City of Los Angeles and  
DST, LLC DBA DMA Sports Design Group for

Athletic Surface Inspection, Testing and Related  
Professional Services

CONTRACT

BETWEEN

THE CITY OF LOS ANGELES

DEPARTMENT OF RECREATION AND PARKS

AND

DST, LLC dba DMA SPORTS DESIGN GROUP

FOR ATHLETIC SURFACE INSPECTION, TESTING AND RELATED PROFESSIONAL SERVICES

This CONTRACT ("Contract" or "Agreement") is made and entered into this \_\_\_\_ day of \_\_\_\_\_ 2019, by and between the City of Los Angeles, (herein referred to as "CITY"), a municipal corporation acting by and through its Department of Recreation and Parks (hereinafter referred to as "RAP"), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as "BOARD"), and DST, LLC dba DMA Sports Design Group, a California limited liability company hereinafter referred to as CONTRACTOR. CITY and CONTRACTOR shall be referred to hereinafter as the "Parties".

RECITALS

WHEREAS, RAP owns various facilities and infrastructure throughout the City of Los Angeles and is responsible for the maintenance and improvements for such facilities and infrastructure; and

WHEREAS, RAP requires the services of an experienced and responsible contractor to perform athletic surface inspections, testing and related professional services in the CITY; and

WHEREAS, a Request for Bid (RFB) for such services was released on April 3, 2019, and the CONTRACTOR's response to the RFB was received on or before June 25, 2019, the submission due date; and

WHEREAS, the CONTRACTOR'S response met the minimum requirements for athletic surface inspections, testing and related professional services requirements as specified in the RFB; and

WHEREAS, CONTRACTOR has the necessary equipment and staff possessing sufficient knowledge, expertise, and experience required to provide the necessary services and has indicated its willingness to perform such services; and

WHEREAS, RAP, pursuant to Charter Section 371(e)(2), finds that competitive bidding is not practicable or advantageous as it is necessary for RAP to be able to call on contractors to perform this work as-needed and on an occasional, but frequent, basis without engaging in a new competitive process for each individual project to be performed; however, from among as needed contractors each individual project is assigned on the basis of availability of an as-needed contractor to perform the work, the price to be charged and the unique expertise of the as-needed contractor; and,

WHEREAS, RAP, pursuant to Charter Section 371(e)(10), finds that use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by the common law and the City Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP to provide as-needed athletic surface inspection, testing, and related professional services; and

WHEREAS, RAP, pursuant to Charter Section 372 and Los Angeles Administrative Code Section 10.15(a)(2), finds that obtaining competitive proposals or bids for each individual project for which work may be performed pursuant to this Agreement is not reasonably practicable or compatible with RAP's interests of having available as-needed contractors who are assigned various projects on the basis of availability, price and expertise and that it is therefore necessary to have several as-needed contractors for this type of service available when called upon by RAP to perform services; and,

WHEREAS, RAP, pursuant to Charter Section 1022, does not have sufficient or adequate personnel in its employ to undertake this task on an emergency basis and it is more feasible and economical to secure said services by contract.

NOW, THEREFORE, the Parties, in consideration of the recitals above and of the terms, covenants, and conditions contained herein, agree as follows:

### 3.2 SERVICES TO BE PROVIDED BY THE CONTRACTOR:

Contractor shall perform athletic surface inspection, testing and related professional services which includes but will not be limited to the following:

3.2.1 Athletic Surface Inspection: Surface inspections include but are not limited to the assessment and inspection of new and existing natural grass turf, all weather turf (synthetic), basketball courts (indoor/outdoor), volleyball courts (indoor/outdoor), racquetball courts (indoor/outdoor), tennis courts, running tracks, playground surfacing and golf greens.

3.2.2 Testing: Testing of athletic surfaces includes:

1. GMAX (ASTM F1936 and F355A): Gives an indication of high impact shock absorption.

2. Shock Absorption and Vertical Deformation: Measures the impact absorption provided by synthetic turf to a player running (lower extremity impact) or falling on as well as the foot stability of the surface as a player runs across it. Excess deformation of a surface could lead to over strained joints and fatigue.

3. Rotational Resistance (Traction): Measures the interaction between the shoe sole and the surface of artificial grass relating to the ability of a player to change direction.

4. Vertical Ball Rebound: Measures how high the ball bounces when falling vertically onto a synthetic turf field. (Although a method for soccer, this also gives an indication of consistent infill levels throughout the playing surface in a low cost tool).

5. Ball Roll: Measures how far the ball rolls onto synthetic grass compared to natural grass. (Although a method for soccer, this also gives an indication whether or not grass piles are standing up in a low cost tool).

6. Permeability of Synthetic Turf Sports Field Base Stone and Surface System (ASTMF2898): Measures the permeability of synthetic turf systems through a simple method, requiring no special testing apparatus, that would decrease the potential for user technique and assumption errors while at the same time providing intuitive and observable results. The method uses a predetermined flow rate from a water source, two (2) simple ball valves, sections of hose, a five (5) gallon container of measured volume, stopwatch, markers to mark the extent of water migration on the surface, and a tape measure. Water source flow rate is calculated using the time it takes to fill the five gallon container of measured volume as the basis of flow for each individual test.

7. Compaction (ASTM D-1557 or D-698): Measures compaction to a dense state to obtain satisfactory engineering properties such as shear strength, compressibility, or permeability. In addition, foundation soils are often compacted to improve their engineering properties. Laboratory compaction tests provide the basis for determining the percent compaction and molding water content needed to achieve the required engineering properties, and for controlling construction to assure that the required compaction and water contents are achieved.

8. Off Site Plant Material Inspections: This site inspection will include yarn type verification, determining average yarn denier, verifying manufacturing yarn uniformity, pile height, coloration throughout the manufacturing "run," verifying primary backing, perforation requirements, verification that the urethane coating is consistently applied and the turf and tuft binding is strong.

3.2.3 Related Professional Services: Includes, but are not limited to, review and approvals of submitted plans, drawings, schematics, and materials and workmanship, sub-base and final athletic surface inspection and approvals in accordance to the City's scope of work and performance specifications as written for each installation and / or installed surface, materials inspection, approval and certification (on and off site), athletic surface installation inspection, certification, review, approval and certification of project design/engineering for installed athletic surfaces, (etc.), and/or any other pre or post installation review as it relates to athletic surface installation.

#### SECTION 4 - SERVICES TO BE PROVIDED BY THE CITY

- 4.1 CITY personnel will work cooperatively with the CONTRACTOR to ensure timely approvals of all items required under this Contract.
- 4.2 CITY will promptly act, review, and make decisions as necessary to permit the orderly progress of Contractor's work under this Contract.

#### SECTION 5 - INSPECTION

- 5.1 CONTRACTOR must request final inspection from CITY representative for work completed each project awarded under this Contract.
- 5.2 CONTRACTOR will receive written notification for any services and/or delivery determined by the Project Manager (Construction and Maintenance Supervisor or his/her designee) to be below an acceptable level. This notification shall be in the form of a "Notice to Correct Unacceptable Service."
- 5.3 CONTRACTOR shall respond in writing to the Project Manager indicating what steps are being taken to correct the unacceptable service. If unacceptable service is not corrected after the CONTRACTOR receives the "Notice to Correct Unacceptable Service," payment may be withheld by the CITY until corrections are made.
- 5.4 If unacceptable service continues, or if the supplier receives three (3) or more such notices, the CITY may terminate this Contract as described in PSC-10 Termination, of the Standard Provisions for City Contracts (10/17) [v.3] (or most recent), attached hereto and incorporated herein by reference as Appendix A.

#### SECTION 6 - COMPENSATION AND INVOICING

##### 6.1 Compensation

CITY will pay CONTRACTOR an amount for services outlined in the "Notice to Proceed" for each individual project awarded under this Contract. The total compensation awarded under this Contract will not exceed One Million Dollars (\$1,000,000.00) annually on an as-needed basis. CITY in entering in this Contract guarantees no minimum amount of compensation. CITY staff will monitor this not-to-exceed aggregate total.

- 6.2 CONTRACTOR shall inform CITY of any additional project costs due to unforeseen delays and unexpected changes to the scope of work for a project. Additional project costs shall be itemized by CONTRACTOR and approved by CITY before payment is made to CONTRACTOR.
- 6.3 CONTRACTOR must provide a report for each service line item that is awarded to

the CONTRACTOR. These reports should reflect all pertinent information as it relates to the test and/or inspection performed. The Report should have the CONTRACTOR's business name, address, contract number and contact phone, email and location where the service was performed. All billings must reflect the line item pricing listed in Section 8 of this Contract. No payments shall be made by City accounting staff without an authorized signature from City Staff.

6.4 Partial Payments may be requested by CONTRACTOR provided that the City approves such request at its sole discretion.

6.5 Invoicing

CONTRACTOR shall invoice upon completion of a project by submitting two (2) copies of the invoice which details the work performed in accordance to the original scope of work for the project and any approved change orders within thirty (30) days of completion of service.

CONTRACTOR shall submit invoices to:

Department of Recreation and Parks  
Attention: Jim Newsom  
Finance Division  
6335 Woodley Ave.  
Van Nuys, CA 91406

All invoices shall be submitted on CONTRACTOR'S letterhead, containing CONTRACTOR'S official logo, or other unique and identifying information such as the name and address of CONTRACTOR. Staff may request evidence that the task has been completed, in the form of a report, brochure or photographs, shall be attached to all invoices.

Invoices and supporting documentation shall be prepared at the sole expense and responsibility of CONTRACTOR. The City will not compensate CONTRACTOR for costs incurred in invoice preparation. The City may request changes to the content and format of the invoice and supporting documentation at any time. The City reserves the right to request additional supporting documentation to substantiate costs at any time.

Tasks that are completed by subcontractors shall be supported by subcontractor invoices, copies of pages from reports, brochures, photographs, or other unique documentation that substantiates their charges.

Failure to adhere to these policies may result in nonpayment pursuant to Charter Section 262(a), which requires the City Controller to inspect the quality, quantity, and condition of services, labor, materials, supplies, or equipment received by any City office or department, and to approve demands before they are drawn on the

Treasury.

SECTION 7 - RATIFICATION

At the request of RAP, and because of the urgent need therefore, CONTRACTOR may have begun performance of services required hereunder prior to the execution of this Contract. By its execution hereof, CONTRACTOR hereby accepts that such services are subject to all of the terms, covenants, and conditions of this Contract, and CONTRACTOR'S performance of such service.

- 11) Inspection and testing of one (1) field retrofit project (0-117K sf.) which will include the testing listed on (bid items 1-5, 8), off/on site material inspection, submittal review/approval of athletic field material and attendance of at least five (5) construction meetings \*\*\*\*\* \$14,000.00
- 12) Inspection and testing of two (2) to four (4) field retrofit projects (0-117K sf.) which, will include the testing listed on (bid items 1-5, 8), off/on site material inspection, submittal review/approval of athletic field material and attendance of at least five (5) construction meetings \*\*\*\*\* \$23,000.00
- 13) Testing, inspection and approvals for sports surfacing for tennis courts, basketball courts and other related venues. Surfaces include, but are not limited to, acrylic color coatings, synthetic and natural clay surfaces. Test the surface for thickness using a Rich Meters Model RM-660, or equal. Amount up to four (4) Courts per project location \*\*\*\*\* \$600.00
- 14) Testing, inspection and approvals for sports surfacing for tennis courts, basketball courts and other related venues. Surfaces include, but are not limited to, acrylic color coatings, synthetic and natural clay surfaces. Test the surface for thickness using a Rich Meters Model RM-660, or equal. Amount for each additional Court beyond the up to four (4) Courts per project location in Bid Sheet Line 14 \*\*\*\*\* \$1,200.00
- 15) This test specifies Impact Attenuation Performance (IAP) requirements for playground surfaces, materials and provides a means of determining IAP using a test method that simulates the impact of a child's head with the surface. The test method quantifies impact in terms of G-Max and Head Injury Criterion (HIC) scores. The HIC score is an empirical measure of impact severity, based on published research describing the relationship between the magnitude and duration of impact accelerations and risk of head trauma. Two test methods shall be used to determine the IAP of a playground

surface or materials: critical fall height test, and installed surface performance test. The following apparatus shall be required for implementation of the two test methods: temperature measuring device, impact test system, acceleration measurement system, drop height measurement system, and battery-operated equipment \*\*\*\*\* \$1,500.00

- 16) This specification establishes minimum performance requirements for the impact attenuation performance (IAP) of playground surfacing (PS) materials and is specific to surfacing used with playground equipment, as described in Specifications F1148, F1487, F1918, F1951, and F2075. It also establishes an IAP criterion for PS materials; expressed as a Critical Fall Height (CFH) and the procedures for determining CFH of PS materials under laboratory conditions (LC). The laboratory test is mandatory for surfaces to conform to the requirements of this specification under dry surfacing materials. The CFH a PS material determined under LC does not account for factors that can influence actual performance of installed surfacing materials. Known factors that can affect surfacing material performance include but are not limited to aging, moisture, maintenance, exposure to temperature extremes, exposure to ultraviolet light, contamination with other materials, compaction, and loss of thickness, shrinkage and submersion in water. \*\*\*\*\* \$1,500.00

## STANDARD PROVISIONS FOR CITY CONTRACTS

### **PSC-1.** Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### **PSC-2.** Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### **PSC-3.** Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

**PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

**PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

**PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

**PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

**PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

**PSC-9. Termination**

A. Termination for Convenience

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

**PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

**PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

**PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

**PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

**PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

**PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

**PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

**PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

**PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

**PSC-22. Data Protection**

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

**PSC-23. Insurance**

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

**PSC-24. Best Terms**

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

**PSC-25. Warranty and Responsibility of Contractor**

**CONTRACTOR** warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

**PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment**

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

- A. **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and **CITY**. In performing this Contract, **CONTRACTOR** shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person's race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.
- B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.
- C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Equal Employment Practices" provisions of this Contract.
- D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Affirmative Action Program" provisions of this Contract.

Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-27. Child Support Assignment Orders**

**CONTRACTOR** shall comply with the Child Support Assignment Orders Ordinance, Section 10.10 of the LAAC, as amended from time to time. Pursuant to Section 10.10(b) of the LAAC, **CONTRACTOR** shall fully comply with all applicable State and Federal employment reporting requirements. Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. Failure of **CONTRACTOR** or principal owner to cure

the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-28.** Living Wage Ordinance

**CONTRACTOR** shall comply with the Living Wage Ordinance, LAAC Section 10.37 *et seq.*, as amended from time to time. **CONTRACTOR** further agrees that it shall comply with federal law proscribing retaliation for union organizing. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-29.** Service Contractor Worker Retention Ordinance

**CONTRACTOR** shall comply with the Service Contractor Worker Retention Ordinance, LAAC Section 10.36 *et seq.*, as amended from time to time. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

**PSC-30.** Access and Accommodations

**CONTRACTOR** represents and certifies that:

- A. **CONTRACTOR** shall comply with the Americans with Disabilities Act, as amended, 42 U.S.C. Section 12101 *et seq.*, the Rehabilitation Act of 1973, as amended, 29 U.S.C. Section 701 *et seq.*, the Fair Housing Act, and its implementing regulations and any subsequent amendments, and California Government Code Section 11135;
- B. **CONTRACTOR** shall not discriminate on the basis of disability or on the basis of a person's relationship to, or association with, a person who has a disability;
- C. **CONTRACTOR** shall provide reasonable accommodation upon request to ensure equal access to **CITY**-funded programs, services and activities;

**INSURANCE CONTRACTUAL REQUIREMENTS**

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

**CONTRACTUAL REQUIREMENTS**

CONTRACTOR AGREES THAT:

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
